

Happy One Year Anniversary, FROM THESE DARK ABODES

by Lyndsie Manusos

"FROM THESE DARK ABODES is an intricately crafted labyrinth with hidden spaces in between that weaves together decadent body horror, complex relationships—intimate like hugging bones, exposed like peeled back skin—told through prose with an intoxicating atmospheric pull, crawling with sensory details." **Ai Jiang, Hugo, Nebula, Bram Stoker Award nominated author**

On September 17, 2024, *FROM THESE DARK ABODES* arrived in its skeletal glory, and one year later, we are here to celebrate—with bones.

Within the following pages you will find coloring pages as well as a game, so you can amuse yourself as Manusos's skeletons amuse themselves—with drink and dance and merriment.

ASSEMBLE SKELETONS!

Print your skeleton pages!

HARD MODE: Start with the border-only page, blindfold yourself, and attempt to assemble the bones into a functioning, dancing skeleton.

EASY MODE: Start with the outlined figure page, and attempt to assemble the bones into the correct style of dance.

JUST COLOR OMG!

If that all sounds like too much, coloring is a great activity. Print your sheets and go to town with markers and crayons. Or, if you prefer, use your favorite app to color on your tablet or desktop. These skeletons go where you need them to go.

“FROM THESE DARK ABODES clawed my heart open and brought the sinew and sharp needle to sew it closed again. From Lethe’s fathomless longing to Petunia’s claustrophobic, crushed-down postpartum existence, this novella felt terribly human—filled with all the ways we hurt and help each other.” **Aimee Ogden, author of Nebula Award Finalist SUN-DAUGHTERS, SEA-DAUGHTERS**

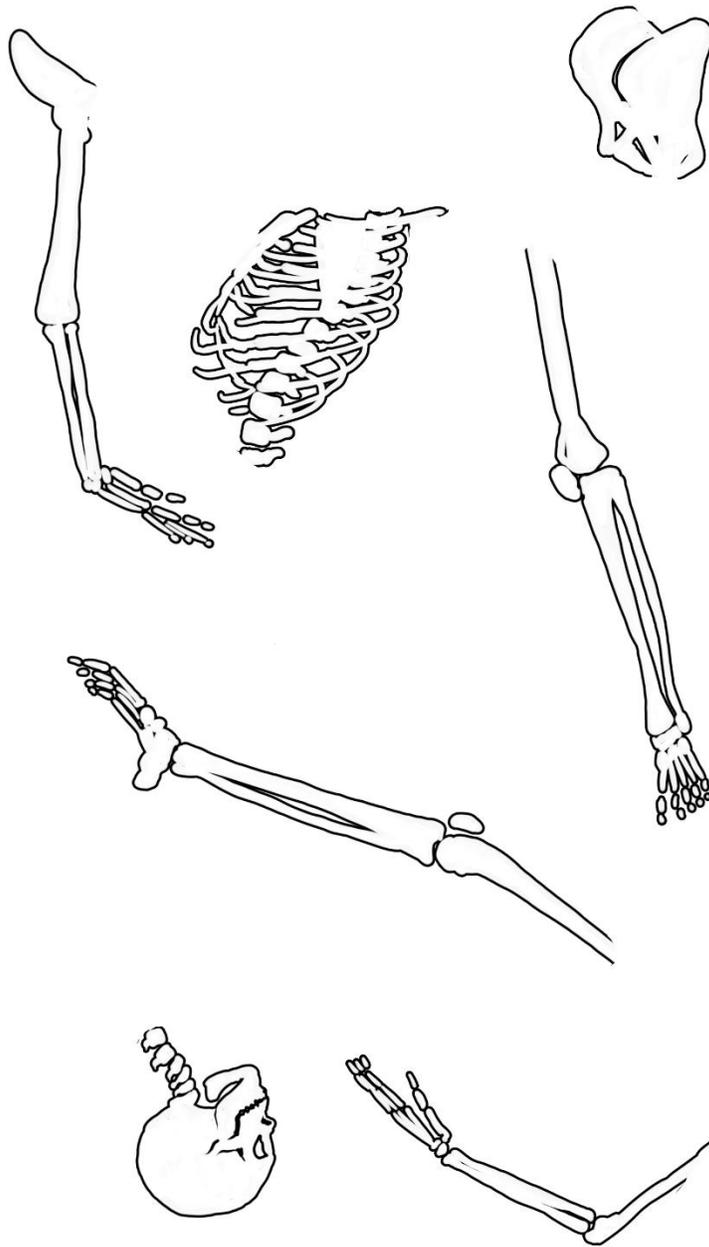

“Both mysterious and intimate, *From These Dark Abodes* will enthrall you and make you fall in love with all the charming imperfections of humanity.” **Eugenia Triantafyllou, author of Six Versions of My Brother Found Under the Bridge**

“Dreamy and evocative, *From These Dark Abodes* is a novella suffused with longing that explores the meaning of life through the specter of death.” **A.C. Wise, author of *The Ghost Sequences***
